

## MILFORD BIDS FOR ATTENTION

### New Electric Lighting System of Most Modern Type to Be Installed.

## WATER OF PUREST QUALITY

### "QUEEN CITY OF SOUTHERN UTAH" HOPEFUL.

(Special to The Herald by Staff Correspondent.)

Milford, Utah, Oct. 10.—There is no more sure sign of a town's commercial progress than the attitude it takes toward innovations which the business spirit of these times brings before it for consideration. In this respect Milford is rapidly taking its place in the front rank of other progressive cities of wide-awake Utah. It is leaving behind it the well-tried but no longer feasible traditions and customs of the past; it is replacing the luxuries of fifty years ago with the modern necessities, and is exhibiting a spirit of enthusiasm and alertness that is pregnant with hope for its citizens, as well as for those who are attracted hither as potential investors.

Milford's latest act of enterprise is to avail itself of the proposal of the Beaver River Dam company to supply the electric current to light the streets and keep the wheels of industry merrily spinning. The city has just ordered the installation of a new lighting system, considering the area to be lighted, this magnanimous act on the part of the town board will put the city on a par with the most progressive cities in the matter of efficient illumination.

## DEATH OF MRS. E. QUINN

Heart Trouble and Dropsy Were the Cause of Her Demise.

Ephraim, Oct. 10.—Mrs. Elizabeth Quinn, one of the early settlers of this community, peacefully passed away at her home at 1:30 o'clock yesterday morning, death being due to heart trouble and dropsy. Mrs. Quinn was born in Burlington, Ia., in the year 1847 and had lived in Utah for many years. She was 61 years of age. She was a member of the Methodist church and was a devoted mother of seven children, as follows: Mrs. Ellen Anderson of Cleveland, Mrs. Orson Cloninger of Salt Lake City, Mrs. John Salen; Mrs. Pearl Nielson, Mr. Pleasant, and John, Joseph and William, who are residents of this city.

The County Teachers' institute has been held in this city today and will continue until tomorrow afternoon. All public school teachers are in attendance. The teachers are having a very interesting time. The first session began this afternoon at the academy assembly hall, where a good representation of teachers were present. The speakers were Professor Modahl and Professor Levi Young of the University of Utah. Music at the meetings will be furnished by the public schools of this city.

The 12-year-old daughter of Mr. and Mrs. Joseph Prosser of this city died at her home at about noon yesterday, after an illness of only two weeks. She had been confined to her bed for some time, and was suffering from heart trouble and dropsy. She was a very bright and cheerful child, and was much loved by her family and friends.

John Stewart of Soa received a message last evening of the accidental death of his brother, John Stewart, who was killed by a train at Soa Springs. He is in some manner was shot, but particulars have not yet been ascertained. His remains will be shipped to Soa tomorrow.

## UTAH MAN'S INGENUITY

### Has Perfected a Device for Topping Beets Which Will Prove a Money Saver.

Lehi, Oct. 10.—Abe Gudmundsen has perfected a beet topper, which sugar people say will save them millions annually. The device consists of an attachment fixed to an ordinary beet digger so that it will top and dig them at the same time. The knife which tops the beets is attached to a wheel, which rolls over the top of the beets. As it goes over them they are topped exactly proper, all at the same distance from the crown, the wheel raising as it goes over a high belt and dropping when it comes to a low one. A sharp circular knife cuts out the top of the wheel cuts into the crown of the beet and prevents the machine from slipping sideways while the operation is being performed. There is also a knife in front of the wheel, which shears away the machine's path and gives the machine a better chance of work.

With a few minor changes, which the inventor is now making, the machine will do better work than is usually done by boys, and it will then be made and placed on the market.

Senator Rees' snout will open the Republican campaign in Lehi next Wednesday evening. The Provo Glee club will also be in the city.

Mrs. Sarah J. Rhodes, one of the first settlers of Lehi, was buried here yesterday.

The dry farmers of Cedar valley are busy planting winter wheat, and already have over 1,000 acres planted. Much of that planted at already up to the ideal conditions insures a good stand for the balance.

The sugar factory here, which has been idle for a week, owing to the recent storms preventing the farmers digging their beets, is now in operation. The farmers are now delivering beets much more rapidly than the factory can use them, and there is now no probability of another shutdown from this cause.

James Cortes had a cow fall into a well this week while the animal was drinking at a windmill. The animal was killed, and the owner is now recovering the animal drop through the covering and by a rare presence of mind passed a rope over the well and held his animal by the water till help arrived and pulled her out.

## DEATH OF MRS. E. QUINN

Heart Trouble and Dropsy Were the Cause of Her Demise.

Ephraim, Oct. 10.—Mrs. Elizabeth Quinn, one of the early settlers of this community, peacefully passed away at her home at 1:30 o'clock yesterday morning, death being due to heart trouble and dropsy.
